

Hyatt Orlando  
Orlando, Florida

### Conference Site:

This year's conference will be held at the Hyatt in Orlando, Florida. Located just 20 minutes from the Orlando International Airport, the Hyatt Orlando offers an ideal blend of business conveniences, world-class service and resort amenities on 54 landscaped acres with over 900 guest rooms. While the hotel is only 1.5 miles from Walt Disney World, it is also only a short drive from Sea World, Universal Studios, Busch Gardens, Kennedy Space Center, the newly opened Orlando Science Center and other local attractions.

PAID  
Belmar, NJ 07719  
Permit #54**

**FIRST CLASS MAIL**

# 27th JSDE CONFERENCE

3-6 December 2001  
Orlando, Florida

## CALL FOR PRESENTATIONS AND PAPERS

*Deadline for Submission: 1 June 2001*

The JSDE is a tri-service technical organization that focuses on advances in Guidance, Navigation and Control (GN&C). The purpose of the JSDE Conference is to share lessons learned on GN&C issues among the services, to facilitate the development of cost-effective solutions, and foster joint development, integration, test and support of affordable GN&C systems. As in the past, the JSDE Conference will be held as a joint meeting with the GPS Users' Conference and the Embedded GPS/INS Users' Conference.

The JSDE Conference is designated as FOUO (For Official Use Only), and as such attendance is restricted to U.S. Government personnel, U.S. Government contractors and foreign personnel associated with the GPS program with approval from the GPS JPO. Visit requests are required for all attendees.

The last day of the conference will be a classified session, which will be held at the Naval Weapons Station in Orlando, Florida.

Authors are invited to submit a one-page unclassified abstract dealing with work of interest to the Guidance, Navigation and Control community in the following subject categories:

Radio Navigation  
Pointing and Stabilization  
Integrated Navigation Systems  
Industry Trends/Defense Conversions  
New Systems/Components Development  
Tri-Service Programs & Commonality Considerations  
Technology Development/Evaluation  
Test and Analytical Techniques  
Operational Lessons Learned  
Manufacturing Technology  
Simulation  
NDI/COTS  
GPS

Individuals who wish to present at the symposium **MUST** submit an abstract whether they intend on having their presentation published in the proceedings or not. The abstract should either be sent to: General Technical Services, P.O. Box 1282, Wall, NJ 07719, faxed to: 732-681-9314 or sent via e-mail to: mcgivneyb2@aol.com *no later than 1 June 2001*. If submitting by e-mail, please use only Microsoft Word, WordPerfect or ASCII format. Each abstract **MUST** include the responsible author's name, address, telephone and fax numbers, and e-mail addresses, if available. Authors will be notified of the Program Committee's decision by 1 September 2001.

**Exhibits:** For information on arranging for exhibit space, and for all general conference information, contact: Barbara McGivney, General Technical Services, P.O. Box 1281, Wall, NJ 07719, Tel: 732-280-2022 /// Fax: 732-681-9314 /// E-mail: mcgivneyb2@aol.com
